

Pisarka na „Ziemiach Odzyskanych”. *Casus* Niny Rydzewskiej – streszczenie pracy doktorskiej Patrycji Megger-Borkowskiej

A woman-writer at “Ziemie Odzyskane”. The *casus* of Nina Rydzewska

The doctoral dissertation brings up the topic of being a woman - writer at „Ziemie Odzyskane”, in the early 1950s. The author presents a biography of the writer Nina Rydzewska, who was born in Warsaw in 1906 and after the war in 1953 she moved to Szczecin. The base of the dissertation is an archive of Nina Rydzewska, which is deposited in Książnica Pomorska in Szczecin. The author was studying her archives and reconstructed her life and work. The author uses biographical, historical and geopolitical contexts. She’s also writing from the feminist perspective. In work the author is wondering how the women-writers lives looked like in Szczecin in the 1950s.
